SPRING LANE NEWS

The application NPC made to have a public footpath declared along Spring Lane has moved a stage further. East Riding Council (ERYC) has now sent the papers to the Planning Inspectorate (PINs). This was necessary because some objections were received to the Order made by ERYC. PINs will decide whether the matter will proceed by public inquiry, hearing or written representations. Ultimately a PINs Inspector will make a final decision on the Order.

CHANGE OF COUNCILLOR

Cllr John Hatfield resigned from Newbald Parish Council back in June. The Council would like to thank him for his hard work and the valuable contribution he made to the organisation and the community. The Council welcomed Bob Baker back on board.

Welcome to the latest edition of our newsletter, which this time is mainly devoted to our up-coming Parish Survey.

Survey forms are being hand delivered to every household in the parish during September or early October and you will soon receive your own copy.

our local community?

- *What are our concerns about how our community might change?*
- *How we would like to see it improved?*
- *What features and facilities we would like to be enhanced and protected?*

development.

Crucially though, the Plan will be referenced by authorities, agencies and organisations when considering funding bids from the Parish Council and our various community charities. Without a revised Parish Plan, there is a real possibility that our community will miss out on valuable and much needed funding; without the information from our Parish Survey, we will be unable to deliver the Village Plan.

Therefore, I hope you will understand how important it is that as many of you as possible complete the survey.

Only with a very high level of participation will we be confident that the survey and consequently the Village Plan, truly reflect the opinions and aspirations of the majority of parishioners. As an added incentive every properly completed survey form returned to us will be entered into a prize draw!

So please complete your survey form when you receive it: it's your opportunity to help shape our community for many years to come.

Crowds having fun on a perfect sunny day at Newbald Gala—August 2012

The survey is a crucial part of the process of developing a new Parish Plan for Newbald.

Our current plan was produced some 7 years ago and needs to be updated in order that it truly reflects the current aspirations of the village. The new Plan will outline how our community views itself now and how it hopes to develop in the future, including opinions on matter such as:

- *What attracts people to live here and why do they remain?*
- *What is valued about*

Supported by the results gained from the survey, the Plan will reflect the true opinions of parishioners. Consequently, your Parish Council will be able to use it with confidence to guide decisions and help develop strategy for our community's development.

Furthermore, it will be an invaluable resource during consultations with East Riding of Yorkshire Council and other service providers on such matters as planning and

YOUTH SURVEY

As part of its Village consultation, NPC is surveying young people, aged between 10 and 18. They are being asked to take part in a fun question and answer session, which gives them an opportunity to express their likes and dislikes about the village. Their comments will be incorporated into the analysis upon which our new Village plan will be based. It also provides an ideal opportunity for them to learn more about local Democracy and Citizenship and the role of the Parish Council.
