“STUNNING” HALL FLOOR

The Village Hall floor has been completely renovated and is stunning! Now all it needs is some enterprising ballroom dancing classes to start, or ballet even. If you are thinking of starting a class up in anything and need a venue, contact Sam on 01430 827310. The Management Committee is in the process of transforming the hall into a bigger more

sophisticated venue and would appreciate any acknowledgement that we are on the right lines. Our AGM on **Tue 18 Oct at 7.30pm** provides the opportunity to offer support, criticism or donations. You can also [find us on Facebook](#).

NEW! NEWBALD RECIPE BOOK

Well done to Newbald WI, who have written a recipe book “90 Ways to Win”. This is on sale in The Gnu Inn for £5. Please support your local ladies by purchasing one. It may give you new ideas for delicious meals or could be a nice stocking filler at Christmas. The Gnu are going to use some recipes as specials, in addition to their menu, so look out for those this Autumn.

NEWBALD GALA FEST—23 JULY 2016

PLS REMOVE POSTERS

As a village with a strong sense of community and plenty going on, NPC appreciates the value of putting posters up round the village to advertise events. However, please could you remember to remove them after the event that you are promoting has finished? Thank you.

BROADBAND GNUFEST FUNDRAISING SUCCESS

Previously we have told you about KC’s planned rollout of superfast broadband to the village. Unfortunately technical issues have held things up but we have been assured that the roll out will take place in the Autumn, so very soon now. This will also be the time that we learn whether the excluded roads can be supplied. We will keep you informed.

Bank holiday Sunday was a spectacular day at The Gnu. Visitors to GnuFest were treated to a family fun day and musical delights, including a visit from Gary Barlow (aka. John Fisher). There was much dancing and merriment. The Gnu raised an impressive total of £1117.17 for Yorkshire Air Ambulance and will give an extra £100 to St Nicholas’ Church.

NPFA NEWS

The return of the Newbald Gala after a year off was a hugely successful and well attended day – the sun shone and everyone seemed to have a good time. Our next event will be the race night – date for this to be confirmed via the Newbald web site and on posters around the village so please look out for these. The **football team** are doing well and I'm sure they would welcome any support that the community can give – either in helping out or just turning up to cheer on a Sunday morning. As usual **we are still on the lookout for any additional help** for the NPFA committee – either as a member or just a volunteer when needed. We also welcome any suggestions so please get in touch via Philip Grimes email: phil.grimes@ymail.com

Poo Busters: Jimmy, Oliver W, Charlie, Jack and Oliver B (above) are a 2016 Operation Lifestyle group who were tired of standing in and seeing dog poo in Newbald and decided to do something about it! The boys gave an impressive and convincing presentation at a Parish Council meeting, where they put detailed research they had done into dog fouling and how to combat it. They have been working hard over the summer months raising money to buy dog poo bag dispensers for the village. Their fund raising efforts have included selling ice pops, organising a toy stall at Newbald gala and running a pop up pizza shop one Friday night, when they made, sold and delivered over 50 pizzas in 3 hours. Thanks to everyone who has supported Poo Busters. Please watch out for and use the 4 new dispensers .

WALK THE HALLS CHURCH NEWS & APPLE FEST

Scenic circular walk from Sancton VH to Newbald VH and back. This is part of a campaign to promote village halls and inter village links. To pre-book baguette and soup lunch for halfway at Newbald VH, contact anitaliley@hotmail.co.uk. **17 Sep 10.30am**. Please share any photos on Newbald VH Facebook page.

Newbald's first annual **Apple Festival** will be held on **22 Oct at 2pm**. Locally grown apples will be used to make fresh apple juice, delicious apple pies and other apple related products, which will be on sale at a bazaar in the Church Rooms. Come along, enjoy the fun and help raise money for the Church. **Any apple donations or help welcome.** (Hamish.stewart@gmail.com or 827510). The design of the inner porch has been approved by the Diocesan Advisory Committee and the engineers will be instructed to proceed once the Faculty has been received by the Parochial Church Council (PCC). The PCC wishes to say thank you for all the donations that have contributed to this project.

SAFER PARKING APPEAL

NPC has had quite a few complaints about unsafe parking in the village—people parking too close to junctions and restricting access and/or inhibiting sight lines. While such parking is not forbidden by road markings, it would be appreciated if people could give some thought to where they are parking and think about the potential impact on other road users. Bear in mind also, that buses and lorries do pass through the village and require extra space to pass by.
