4	TOUR DE YORKSHIRE EVENT Members considered the Health & safety and crowd control obligations that holding the event would place on the Parish Council. In particular it discussed a document that NPC's insurance company had referred the Council to. Members felt that the risk assessments and measures that would need to be put in place were onerous and probably not possible within the time frame. Resolved: that a proposal is put to Full Council not to hold the event on the basis that that going ahead will open up the Council, its Members and by definition the tax payer, to an unacceptable level of liability in the event of something going wrong.	

Meeting finished at 8.15pm
