## POO BUSTERS WIN

### FESTIVE CAROLS

On **Tuesday 20 December**, a carol singing group will go door to door spreading festive cheer. All donations will go towards setting up a monthly community social morning, especially aimed at the older generation to keep them connected to the community. NPC would like to thank Emma Hibbs for her initiative in organising this activity for such a worthy cause. Please show your support.

### DOG FOULING APPEAL

NPFA has received complaints from the football team that the playing field pitch is being used as a "dog toilet". Please can all dog owners remove "dog poo" - there is a poo bag dispenser so there should be no excuse to leave your dog's calling card! Not only is it very unpleasant for the footballers and children alike, it is also extremely dangerous and can cause toxocariasis which can lead to serious illness and in some cases blindness. Would you really want this on your conscience!

### CHRISTMAS CONCERT

Invitatione presents a classical music concert. "Music for Advent and the Christmas Season" - **Sun 4 Dec at 7.30pm**, Church. For details of the music to be played, please visit

[www.newbald.com/calendar](http://www.newbald.com/calendar).

In September we reported on Poo Busters a 2016 Operation Lifestyle group of Year 6 (now Year 7) boys who used their initiative to raise money for 4 dog poo dispenser units for Newbald. Jimmy, Oliver W, Charlie, Jack and Oliver B won one of the top awards at the Lifestyle Awards on 9 November a Hull City Hall. Their prize is a PGL Activity Holiday to Wales in April.

Jack's Mum, Beci Tyrrell, said "Personally I am over the moon with their achievements and all

of the lovely positive comments we have received from Newbald people. I think for a group of young boys to find a solution to a problem more often than not facilitated by irresponsible adults is a huge achievement and very inspiring".

NPC would like to congratulate the boys on their well deserved success. The dog poo dispenser units are located at the bottom of Dot Hill, outside the Village Hall, outside the School and on the Playing Field.

### NEWBALD CHRISTMAS TREE FESTIVAL

Come and be enchanted by the festive displays at Newbald's first Christmas Tree Festival. Trees will be sponsored by local groups, families and businesses and decorated to the theme of hobbies, organisations or Christmas. As well as enhancing the Christmas spirit, any donations given at this free event will contribute towards the vital building work on the new porch at the entrance of the church. The festival will take place at St Nicholas' Church. Refreshments will be available. **For dates, please see Diary Dates overleaf.**

### BROADBAND UPDATE

NPC has been liaising with KCOM and East Riding of Yorkshire Council to establish the current state of play with regards KCOM's rollout of superfast broadband to the village. Unfortunately, we have not been able to get a definitive response in time for the publication of this newsletter, though we do know that KCOM is working hard on this project. Once we have further information, we will publish it on our website [www.newbald.com](http://www.newbald.com).

In time, you will be able to find out about KCOM's Lightstream roll-out in your street by visiting [www.kcomhome.com/lightstream](http://www.kcomhome.com/lightstream), clicking 'Check Your Postcode' and entering your details or by contacting KCOM Customer Services on 01482 602555.

Poo Busters receive their prize at Hull City Hall on 9 November 2016.

## VILLAGE HALL NEWS

Following a successful Sober Hill Wind Farm Fund application, we will shortly have 120 new padded chairs and 30 stackable tables. You can sit comfortably, while looking at our internet connected AV equipment with drop down screen and surround sound! This means NVH users can plug in the laptop or memory stick and give demonstrations lectures or show U-tube ideas. If we can rally volunteers we could have a film club or live entertainment supported by the speakers; **Perhaps you could come up with ideas to make NVH meet the needs of our village?**

Other funding applications are in the pipeline and refurbishment of the toilets and lobby (Phase 1). We are well on with architect drawings for an extension providing a meeting room and storage space, plus an office (Phase 2) and hope to go for planning permission this month. While this happens NVH will be open for business as usual - Bowls club, Metafit, keep fit, tap dancing, Post Office, line dancing, cake decorating & private functions and hopefully 2017 will bring new users including Ballroom dancing. 2017 will be an exciting forward looking year for NVH - and without your continued support it would become redundant. If you want to know more, go on our [Facebook page](#) or contact Jenni 07952951255 or for bookings contact Sam on 827310.
