NHW LAUNCHES

GARDEN OF REMEMBRANCE

NPC has been considering creating a Garden of Remembrance for the burial of cremated remains in the cemetery for some time. Councillors have not been able to agree on whether to have one, what form it should take or how much public money should be spent on it. Therefore NPC would like to hear your opinion on this. This could cost a substantial amount, so **please let us know what you think**. NPC will use the results to guide its decision. Go to newbald.com/gor and complete the short survey by **20 Mar**. If you would like a paper or emailed copy, please call.

COUNCIL CHANGES

In December, NPC was sad to say goodbye to Mamta Joshi and would like to thank her for her valuable contribution. In January NPC welcomed Simon Dongray-Burke to the Council. Simon and his wife Clare moved to Newbald in 2004 with their boys Oliver and Cameron. Simon very soon became the church treasurer and has also set up a village oil buying group which is proving very successful and delivering large savings to members. He joined NPC so he could help residents enjoy a great village with amenities that are in the 21st century yet still fully respectful of the wonderful place we all live in.

NPC has just decided to become the hub for a village wide Neighbourhood Watch scheme. This means that we will be partnering with Neighbourhood Watch (NHW), the Police and East Riding of Yorkshire Council to ensure that residents in Newbald are made aware of any pertinent issues in relation to crime in the area.

The Parish Council will do this by means of its email list, website posts (newbald.com), its Facebook page

[facebook.com/newbaldpc](https://www.facebook.com/newbaldpc) and Twitter (@newbaldvillage). So make sure you are signed up to one of these if you want to stay in the loop.

Residents are also encouraged to remain vigilant and to report anything suspicious to the Parish Council so that we can feed the information back to NHW. NHW also does considerable fund raising and partners with organisations such as Age UK, Humberside Fire Service and Trading Standards. This

means they can offer extras such as training and information on how to avoid scams; home security checks; reduced priced security equipment; and heat & warmth assessments for people in need.

NHW will shortly install street signs in strategic places in Newbald to deter any would be criminals. NPC is choosing the locations of the signs carefully to ensure that they do not adversely impact our scenic village.

'NEWBALD NATTER' SUCCESS

The First 'Newbald Natter' was a big success. This monthly community afternoon tea event will be held on the second Thursday of the month between 1.30pm and 3pm at Newbald Village Hall. Why not come along to the next one on **9th March**? You will enjoy delicious home made cakes and good company. If you would like to attend but have mobility issues, please contact Emma Hibbs on 01430 828530.

SUPERFAST BROADBAND REQUEST FOR HELP

As previously published, there are some roads in Newbald which were excluded from the BT superfast broadband rollout and are also excluded from the ongoing KCOM rollout. KCOM is currently looking into the feasibility of including these roads. It has asked for residents on these roads to let them know if they would be likely to purchase their superfast broadband service if they did build the infrastructure. This

will help them establish whether there is enough demand to make a business case for it. If you live on any of the following postcode areas and would like to be able to subscribe to a superfast broadband service, please go to our website and complete the short survey by **20 Mar**. (Paper or emailed version available on request). Newbald.com/newbald-parish-broadband-survey. The postcode areas

CHARITY DONATIONS

You will be aware from previous newsletters that NPC had been entrusted with funds following the folding of the Newbald charities 'Charles Stather' and 'William Gill'. After much deliberation on how best to donate the money in a way that was in keeping with the ethos of the original charities, NPC decided to split the money evenly between Newbald Playing Field Association, Newbald Village Hall and Newbald Young People's Project. Each charity received £2,291.57.

concerned (all starting YO43) are 4SR, 4TW, 4TL, 4SW, 4FF, 4TR, 4SL, 4ST and 4TN Note completing the survey is NOT a commitment to purchase.

If you would like to find out whether you are eligible to receive superfast broadband now or in the future, please use the KCOM and BT postcode checkers on kcomhome.com and homeandwork.openreach.co.uk respectively.

For full details about the broadband situation, please see newbald.com.

NPFA NEWS & EVENT

NPFA would like to thank the villagers of Newbald for their continued support at all our events. In the next month or so you should be seeing our latest piece of equipment being installed – purchased through the generosity of this and surrounding communities plus the grants from Tesco, Sober Hill Wind Farm and the Parish Council. Our next event will be the Newbald Galafest of Culture and will be held on **Sat 24th June** – times and details will follow on www.newbald.com and also on posters.

Could we also please make our usual request for anyone who wishes to join the NPFA committee or just to be placed on our volunteers list to please get in touch via philgrimes@ymail.com.

Babajack, Newbald Village Hall - Mar 11 7pm

CHURCH ROOMS' SESSIONS

Our sessions run every term time Tuesday for ages 4-16 and all children are welcome to attend. Also, anyone interested in attending a 5 week cookery course where the children learn to cook and eat a three course meal is also open to any children, please text Georgina on 07528 013731 to register your interest and she will get back to you with availability on these ever popular courses. Thanks also to NPC for the gratefully received donation from the charities Charles Stather & William Gill.

WI NEWS & UPCOMING EVENTS

WIN are organising trips to the City of Culture and to Wentworth Woodhouse, the largest private house in the country. It is near Rotherham and a book written by Catherine Bailey tells the intriguing story of the inhabitants of this Yorkshire gem. Our WI has a book club, coffee club, sewing group, French conversation group, craft club and cycling club in the summer. Links to the East Yorkshire WI in Beverley and the National Federation of WIs lead to even wider opportunities. Our next WIN meeting is on **Wed 12th April at 7.30pm** in the Village Hall. I can promise a very interesting talk from two returning speakers on the descendants of the 'Woman who did not exist' Last year they gave their first talk to us and it was so enthralling we have invited them back. Everyone welcome.

SOBER HILL WIND FARM FUND

The next deadline for receipt of applications to the **Sober Hill Wind Farm Community Benefit Fund** is **Mon 27 March**.

VILLAGE HALL NEWS

For details of our forthcoming cinema, quiz and live music events, please see 'Dates for Your Diary' (above). The Newbald Village Hall Committee would like to thank all users for their continued support and let you know that developments are afoot to provide improved toilet facilities including a disabled toilet. The tendering process for the work has closed and funding is being sought as we speak! All this is a slow and painstaking process but your committee is determined that sometime in 2017 the Village Hall will be a more comfortable place to use. If you think you can offer help and/or support please contact Jenni Howard (Chair) on 07952951255 or any committee member. Thank you.
