## LIFESTYLE BOYS GIVE MONEY THEY RAISED TO NPFA CHAIR

#onelovefootball was the Lifestyle group in the village during summer 2017. Charlie Budd, Harry Latham and Joe Wallace worked together to raise money to hopefully get a Duke of Edinburgh scheme up and running in the village as well as giving money for the Playing Fields Committee to buy a new bench for the football team. They raised the funds by running a pop up pizza shop, organising a football tournament on the last day of the holidays, a penalty shoot out at the gala and selling their old football kits and old toys. Their efforts have been recognised and they have been awarded a day trip to Flamingo Land by Humberside Police, to take place shortly. Well done boys!

## IMPORTANT CEMETERY NOTICE

NPC is currently doing inspections of memorials to check that they are safe. Where we find headstones that are loose and at risk of falling over, we are obliged by law to lay them down for the safety of the public. It is the duty of the owner of the memorial (the family of the deceased) to organise and pay for the stone repairs necessary to stand it up safely. NPC is NOT liable for these costs.

## FLUSHED WITH SUCCESS

New loos, a disabled toilet and baby changing facility, updated heating and security system!

Phase 1 of the development work at the Village Hall has reinvigorated a tired lobby and dilapidated toilets providing facilities for everyone to use. Thanks go to WREN (Waste Recycling Environmental Fund) and Sober Hill Wind Farm Community Fund and Newbald Village Hall Management Committee for their financial and voluntary support. Thanks also to the users over the past 2 months

who have who have put up with the disruption and carried on regardless! Alongside this we have installed new fire doors to the main hall and an improved shutter to the kitchen hatch supported by Sancton Hill Wind Farm Fund.

We now have some portable

staging to literally support our forthcoming events – after a year of funding search we have got there thanks to Sancton Hill and Sober Hill Wind Farm Funds.

As we restore one area another looks shabby – and the kitchen is looking sorry for itself now! Ideas on how to improve it are being examined.

There's no standing still as we move into Phase 2 – the meeting room extension with storage and an office! Tenders have been received and we are trawling for funding to support a possible £100,000 project. Plans are displayed in the new lobby area and if you are able to contribute, with support/ advice / money, or to any other aspect of NVH please contact Jenni on 07952951255 or [jennieastgate@outlook.com](mailto:jennieastgate@outlook.com) or any committee member. If you can see a way you would like to use this new meeting room, catering for up to 40 people, please contact Linda on 01430 801027 or [linda.bolton44@outlook.com](mailto:linda.bolton44@outlook.com). Also, we do have a Friends of NVH group who help with events which gives you a chance to get involved *when you want*. Contact Debbie on [827193@gmail.com](mailto:827193@gmail.com).

## HOW DARE YOU PARK HERE!

The owner of this car showed a total lack of respect when he/she chose to park on the grass on the village green. This is one of many examples of thoughtless parking and driving which are destroying our grass areas.

In the last few weeks, we have had many people contact us about large lorries cutting into the village's grass verges. NPC has considered this matter at some length and has not yet been able to think of a way to tackle the problem effectively.

NPC did send out the Traffic and Parking supplement back in December in which we politely asked people to desist

from dangerous and inconsiderate driving and parking. As this approach appears not have made much difference, we may start to name and shame. You have been warned.

## BROADBAND SUCCESS

NPC is pleased to announce that KCOM has at last said that it will supply superfast broadband to all the roads that were previously excluded from both BT and KCOM's superfast broadband rollouts. The outline schedule for deployment is between 1 April and 30 September 2019.

## WI ENJOYABLE EVENTS

In January, WI members tried some charcoal drawing under the guidance of Nick Matson, then in February Colin Bradshaw gave a humorous talk on the North Yorkshire Moors. This was followed by a Snowdrop walk at Burton Agnes Hall. We look forward to a fun quiz on **March 14th**. The WI meets on the second Wednesday of the month at **7.30pm**. Visitors and new members are always welcome.

Fri 16 Mar, 7pm, NVH

## SOBER WIND FARM GRANTS

St. Nicholas Church - £3,031.75 for electrical upgrade  
Newbald School - £3,000 for 'Seed to Plate' project  
Playing Field Assn - £1,140 for Bump Track feasibility  
NYPP - £5,114 for new windows - Church Rooms  
N. Village Hall - £1,758 for staging, £3,000 for architects

## CAKE CLUB MEETS

Come along on the **4th Tuesday of every month** in the Village Hall. Doors open **6.30pm** & meeting starts at **7pm-9pm**.

## NPFA INFORMATION

The NPFA would like to thank everyone who attended Carols on the Green. This has become an integral celebration for the whole village and much loved by young and old. The NPFA came to a decision that they will not be holding a gala this year. Please watch out for other fund-raising events throughout the year. As usual we are still looking for additional members/volunteers to join the committee. If you feel you can commit to the **last Monday of every month** for the meetings, occasional tidy up days at the field and to help at events which usually add up to 3 a year then please do come along - **8.30pm** at the Church.

## DOG FOULING SHAME

Despite our appeal in the last newsletter, we still seem to have a big problem with dog fouling in our village with piles appearing in the most prominent places. Our poor football team members often find themselves sliding in dog faeces mid game on the playing field. Surely - enough is enough! Do you have absolutely no conscience at all?

**DOG FOULING MAY CONTAIN TOXOCARA WHICH CAN CAUSE BLINDNESS IN CHILDREN.**

**LOVE WHERE YOU LIVE**
