CHURCH UNDER FINANCIAL PRESSURE

Our beautiful grade 1 listed Norman Church costs a lot to maintain and restore. The Parochial Church Council (PCC) was left in the difficult position of having to consider turning off St. Nicholas' Church's external lights in the evenings in order to save money. The PCC approached NPC for help. Knowing how important it is to residents that the church is lit up, NPC gave the PCC a grant of £600 to allow the lights to stay on for a full year.

The Church organised a highly successful May Day Party at which guests enjoyed maypole dancing and a performance by the Green Ginger Garland Dancers from Hull. The beautiful weather, along with delicious refreshments and traditional games made for a very special afternoon. The occasion raised an impressive £1,800. The Church would like to thank members of the public for their support.

NPC ANNUAL REPORT

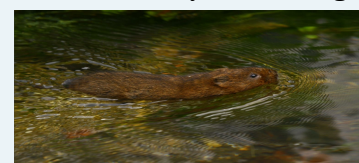

Our Annual Report is available to [read on our website](#). It details the Council's activities during the 2017-18 financial year and contains summary accounts. If anyone requires the annual report in written form, please contact the Clerk - clerk@newbald.com or 01430 828919.

NEW DEFIBRILLATOR FOR SOUTH NEWBALD

NPC has just agreed to purchase a defibrillator for South Newbald. The Council would like to thank Simon Dixon and his company Rockar for agreeing to have the defibrillator installed on the outside of their office block at Monckton Court and for donating a very generous £500 towards the

project. Rockar has further committed to supporting the subsequent training in how to use the device. NPC hopes that Newbald residents will choose to come along to the free training. The more people that are familiar with how to use defibrillators, the safer our community will be.

NPC would also like to thank Scott of Scott Clark Electrical who recently came out at very short notice and repaired the defibrillator in the phone box on The Green totally free of charge.

WATER VOLES FIGHT BACK

You will recall that there was concern about our water vole population following an oil spill in the beck last year. NPC is pleased to report that there have been some sightings of the protected species recently. Yorkshire Wildlife Trust is therefore optimistic that the number of voles has naturally replenished, without the need for a scheme to reintroduce them. If you spot a water vole in the village, please let us know - clerk@newbald.com.

BROADBAND UPDATE

KCOM has issued a statement in relation to those roads previously excluded from superfast broadband services. "The outline timescale for deployment of superfast broadband in North Newbald is between 1 April and 30 September 2019. This timescale refers to the point at which construction and commissioning of network is complete and residents can order the service. The timescale will become more refined and definitive as planning progresses." KCOM says it will provide a further update by the end of this month.

STAY IN THE LOOP - IT'S ALL ABOUT NEWBALD

We are sure you were as fed up as we were of receiving a multitude of GDPR emails pleading with you to stay in touch. The new law has meant that we too have had to ask our email subscribers to re-confirm they are happy to hear from us. While many have done so, some have not. We are sorry to lose you! Maybe our emails got lost in the deluge. We would like to invite anyone interested in Newbald to join our mailing list so we keep you informed about news, events & public information, which we think you will find interesting or useful. We can assure you that we will not send you

too many emails and your data will be totally safe. Also, you can unsubscribe at any time. To find out more and join the list, please visit www.newbald.com. It will only take a moment of your time.

LITTER CONCERNS

We have received complaints about large amounts of litter being being thrown on the ground in the village. Mainly, this has consisted of empty bottles of alcohol.

If anyone knows who may be doing this, please could you let one of our Councillors know so that we can tackle this antisocial behaviour.

NPFA INFORMATION

The NPFA are in the early stages of planning a bump track and plans have been drawn which can be seen if requested. If you would like to get involved with this project, please do come to our meetings on the last Monday of each month at the Church Rooms on the Green at 8.30 or if you feel this is something you could sponsor please get in touch with one of the committee members via the Newbald website.

It has been brought to our attention that the football pitch is once again being used as a toilet by the dogs of irresponsible owners.

PLEASE CLEAN UP AFTER YOUR DOGS.

Whilst on this subject an incident has occurred on the field to one of the grass cutting contractors where he was bitten by a loose dog - we are in the process of investigating this further, but we must insist that **DOGS ARE KEPT UNDER CONTROL** always. This could have been a young child and the outcome could have been much worse!

Finally, we have no events planned yet but please do watch the website and look out for posters.

VILLAGE HALL EVENTS AND INFORMATION

There's a lot happening at the Village Hall over the coming months and we are grateful to the parish council for allowing us to add our pages to their website, so take a look at www.newbald.com and click on "Village Hall". One new feature of the web page is online booking - if you want to book the Hall for a one off event or party or a regular event such as fitness / dance / drama classes, you can do this online.

WI LADIES LIVE IT UP

At the end of April, eight WI ladies had a long weekend in the historical and beautiful town of Bologna, Italy. We did have time to relax with some excellent food and wine. Well it's only fair! Our May meeting welcomed back Cath and Clive Richardson who regaled us with some amazing stories from the First World War. Our June meeting will be lively with a visit from a group of Morris Dancers. During the summer we will visit Elvington Air Field. This visit will be open to everyone (guys as well). To register your interest, contact di.wainman@btinternet.com.

CAKE DECORATION

Cake Club on **4th Tuesday/month, 7-9pm**, Village Hall. Guests & new members welcome. Learn cake decoration & sugar craft skills.
